At any time of the year, residents may dispose of their yard waste, including grass, leaves, brush, and limbs, by transporting and depositing such waste to the dropoff point.
- B. Brush and limbs are classified as trees and bushes, or the trimmings therefrom, that have been cut or trimmed by the resident or owner of residential property to permit their being picked up and hauled away. The terms "brush" and "limbs" do not include leaves, grass, other waste.
- C. The City shall provide brush and limb pickup during the months of April through October on the Monday, Tuesday and Wednesday of the third week of each month. This City will not pickup leaves or grass clippings as part of its brush and limb pickup service.
- D. Residents wishing to use the City's brush and limb pickup service shall place such items in a neat pile or stack for collection on the curb, or on their property as near to the street as possible. Such items shall not be placed in the street at any time and it shall be nuisance for anyone to cause such items, or any other yard waste, to be placed in the street.
